Prescription reminder

A gentle reminder that we ask for 48 hours to process a prescription request. Every prescription is signed off by a GP and we are currently processing between 400 and 500 prescriptions every week!

The number for our dedicated prescription line is 01434 607000. This is open between 10am and 4pm every weekday.

Community Paramedic

We are delighted to introduce our new community paramedic, Caroline Wood, who has joined our team from a surgery in Newcastle. Caroline will be visiting housebound patients for their acute illnesses and to review long term health conditions.

Veteran Accreditation

We are proud to have received an Armed Forces veteran friendly accreditation. This means that our GPs have received specific training to improve their knowledge of military related health conditions and veteran specific health services.

Retirement announcement

Our Practice Manager Anne Brooks retired on Friday 14th June. We would like to thank Anne enormously for her years of exceptional service to the practice and wish her all the best in her future adventures. We would like to introduce Olivia Rodda as the new Practice Manager.
